

## Welcome to the Wonderful World of Headhunting!

CPAs, Finance and Accounting Specialists: Let's get acquainted!

I want to work with you on your next strategic career move.

Please accept my offer to send you confidential career opportunities in all tax, assurance, advisory, audit and attest, and all specialty practice areas. As a member of a professional network of over 900 executive recruiters – with about 2,000 active job listings at all times – I am ready to help you with all finance and accounting niche placements.
